Breakfast Club/After School Club Newsletter - October 2010

Booking Forms

The booking forms for after the half term holidays are now available to download from our website - www.learningcurvesnursery.co.uk. Please let us know if you would like us to send home a paper copy before the holidays.

Apologies

There was an error on the current booking form for this half term. Thursday 21st October is **NOT** an inset day therefore the After School Club will be open. Please let us know if you would like to book in for this night.

Extra sessions

Please could you make sure that if you are booking your child in for an extra session for Breakfast Club or After School Club that you send payment in for that session on the day. We are spending a lot chasing payment for extra sessions booked.

Important

It is vitally important that you let us know if you're child is not going to be attending After School Club after you have booked them in. You can either call us during the day on 01695 420123 or call into the hall when you have collected you child to let us know.

Early Years Foundation stage

All Reception aged children who attend the After School Club will have Miss Allen as their key worker. Any work the children do in the clubs will be linked to the EYFS curriculum. A book containing the work and photographs of what your child has been doing will be kept in the clubs and can be viewed by parents at any time.

Children in need - Friday 19th Nov

We would like to help raise money for this worthwhile cause. The After School Club challenge is to see how many 5p pieces we can collect between now and 19th November. Please help us by collecting all your 5p pieces and placing them in the bottle on the table in the After School Club. Each child will keep a record of the amount they have collected. The child who has collected the most will win a prize.

Thank you
